NON-COMPETITIVE COMMERCIAL USE PERMIT -AMENDED

LAS Number: 35081

Name Trevor Clayton

Field or Emergency Contact Name Mike Neely

Email trevor@flyalphaair.com

Phone Number (907) 759-7002

Business Name Alpha Aviation, LLC

Field or Emergency Contact Phone Number (406) 600-2370

Mailing Address: All Vehicle and Vessel Decals Will Be Mailed To This Location 1842 Merrill Field Drive
Anchorage, AK, 99501

Business License Number 1046820

I am a new applicant to Alaska State Parks

Applicant History

Within the past 5 years has the company (entity), its owners, or any employees who have or will be expected to operate within state parks been convicted, pled no contest, forfeited collateral, or are currently under charges for violations of any commercial permit; any state, federal, or local law; or any law related to fish or game?

No

Park Units and Services

Please include all areas within the Alaska State Park system you would like to commercially operate.

Add a Park Unit and Service

Park Name	Park Facility/Area	Services Offered	Max Group Size Per Trip
Kachemak Bay State Park	Grewingk Lake / Glacier Area	Helicopter	4

For guided and transport operations estimate the number of clients; Per Day [3] and Per Season [150]

Please provide activity descriptions for all services offered. Be sure to include description of any activities not listed in drop down menu above.

Helicopter flightseeing, glacier landing, and eco-tours based out of Homer. Pilot will depart PAHO for a flightseeing tour and land in the vicinity of the toe of Grewingk Glacier / Grewingk Lake (see attached for intended LZ coordinates). Guests and pilot will be on the ground for <60mins, and remain nearby to the helicopter.

Chad Emswiler from Alpha discussed with Jason, Park Ranger, on May 21st, 2024. Please advise any additional information required.

Does this activity require personnel to stay overnight in the park?

No

- Carry a copy of this permit at all times while operating in the parks.
- A copy of the permit stipulations are included with this permit.
- Amendments to this permit to include additional employees/vehicles/locations or documentation can be submitted via the amendment form at <https://dnr.alaska.gov/parks/permit/index.htm>

Alaska State Parks General Permit Sitpulations for Commercial Use Permits

The following stipulations apply to all Non-Competitive Park Use Permits for Commercial Activities issued by the Division of Parks and Outdoor Recreation (DPOR). Noncompliance with the terms described below may result in a citation being issued to the operator for violation of 11 AAC 18.030(c) and the suspension or revocation of this permit.

1. Authorized Officer. The Authorized Officer (AO) for the State of Alaska (State), Department of Natural Resources (DNR), Division of Parks and Outdoor Recreation (DPOR), is the Deputy Director or designee.

2. Payment of Commercial Use Permit Fees. Commercial Use Permit fees must be paid in full prior to issuance of any permit. Permit fees are specified by the Director's Order and available on the DPOR website: <https://dnr.alaska.gov/parks/permit/index.htm>.

3. Payment of Per Client Fees / End of Season Reporting. The permittee shall submit an End of Season (EOS) Report by December 31st of the permit year, accurately documenting activities on lands and waters covered by this permit. For interest on debts owed for fees, the Division has the discretion to charge a flat fee based on a Director's Order or to charge interest in the amount of 10.5% annually on debts owed to the state pursuant to AS 45.45.010. Permittee's annual commercial use permit will not be issued for subsequent years until the Division receives EOS Reports and payment of all applicable per-client fees for prior years. EOS reporting is required whether or not you conducted commercial activities in a unit of the State Park system. No per-client fee will be charged for persons who are transported by water or air taxi services directly to or from private property inholdings within a State Park or any government employee on official business who is transported by a commercial operator. If multiple commercial permittees (businesses) provide services to a single client, each permittee is responsible for payment of the use fees for the services they provide. Commercial permittees providing multiple services to a client on the same day will only be charged one fee per day per client. In this situation, the fee for the service with the highest fee applies. Pay online at <https://dnr.alaska.gov/parks/commercialusepermits#/>. If paying by other methods, please send a record of per-client use days to parkpermitting@alaska.gov for verification of use.

4. Insurance Required. Without limiting indemnification, the liability insurance required of commercial operators that provide commercial services in State Park Units shall secure or purchase at its own expense and maintain in force at all times during the term of this permit, liability coverage and limits consistent with what is professionally recommended as adequate to protect the permittee (the insured) and Grantor (the State, its officers, agents and employees) from the liability exposures of ALL the insured's

operations on state land. Certificates of Insurance (COI) must be furnished to the AO prior to the issuance of this permit and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. COI should be provided on an ACORD Insurance Form. The Permittee must provide for a 60-day prior notice to the State before they cancel, renew, or make material changes to the conditions to the policy. Failure to furnish satisfactory evidence of insurance, or lapse of the policy, are material breaches of this permit and shall be grounds, at the option of the State, for termination of the permit. All insurance policies shall comply with, and be issued by, insurers licensed to transact the business of insurance under Alaska Statute, Title 21. The policy shall be written on an "occurrence" form and shall not be written as a "claims-made" form unless specifically reviewed and agreed to by the Division of Risk Management, Department of Administration. The State must be named as an additional named insured on the policy with respect to the operations of the permittee on or in conjunction with the permitted premises. A copy must be sent to: parkpermitting@alaska.gov. Please include your permit number (LAS #) in the description box.

Email is preferred, but if also being mailed, it can be sent to the following address:

State of Alaska
Department of Natural Resources
Division of Parks and Outdoor Recreation
550 West 7th Ave. Suite 1380
Anchorage, AK 99501

5. Term. This permit is valid from the date of issuance through December 31st of the same calendar year.

6. Preferential Rights. No preferential rights to additional services of a proprietary interest right in the lands are attached to this permit.

7. Assignment. This permit may not be transferred, extended, or assigned without prior written approval from the authorizing officer. The permittee shall not sub-let or enter into any third-party agreements involving the privileges authorized by this permit.

8. Park Unit Specific Stipulations. The permittee shall comply with all park unit specific stipulations applicable to their commercial use permit. Park unit specific stipulations are available at: <https://dnr.alaska.gov/parks/permit/index.htm>.

9. Lawful Operations/Documentation. The permittee agrees to operate in accordance with all local, state, and federal laws and regulations. The issuance of this permit does not alleviate the necessity of the permittee to obtain all required local, state, and federal licenses, tags, permits, registrations, and certifications that are applicable to the permittee's activities. Permittee shall ensure compliance by its employees, agents, contractors, subcontractors, licensees, or invitees. The permittee shall further require all individuals operating under this permit to have all such documentation in their possession while operating in the park and upon request shall present it for inspection to any state park official or Peace Officer.

10. First Aid Certification. All individuals operating under this permit within a state park unit must hold a current first aid certification recognized by a state or national registration. The permittee shall ensure that all individuals operating under this permit have proof of their first aid certification in their possession while operating in the park and upon request shall present it for inspection to any state park official.

11. Employee Identification. The permittee shall list all individuals (including permittee's owners, employees, operators, and contractors) that will be operating in a state park unit under this permit. A form is provided in the permit application. The permittee shall provide each individual's name, driver's license (or ID) number, and ADF&G sport fishing/hunting license number and expiration date (for sport fish and hunting guides only). The permittee shall submit to the Division any changes to this list. New employees are not authorized to operate in any state park unit until the Division receives the updated list. All individuals under this permit shall always carry a photo ID and a copy of the signed permit while operating in a state park unit.

12. Non-Exclusive Use. This permit shall not be construed as limiting the rights of the authorizing officer to issue similar permits for the same or similar activities in the area covered by this permit. The permittee, agents, or clients shall not interfere with free public use or other authorized use of roads, trails, lands, or

waters in the area of their activities.

13. Geographic Limit. This permit is for activities on state lands or interests managed by DPOR. It does not authorize any activities on private, federal, native, municipal lands, or lands which are owned or solely managed by other offices and agencies of the State. The permittee is responsible for proper location within the authorized area.

14. Advertising/Selling Prohibited. This permit does not authorize the permittee to solicit business, advertise, collect any fees, or sell any goods or services on lands authorized for use by this permit unless specified on this permit. The permittee shall not make any misrepresentation in his/her advertisements, signs, circulars, brochures, letterhead, or like materials regarding this permit.

15. Structures. No temporary structures shall be erected in the area under this permit without prior written permission of the authorizing officer. Under no circumstances will permanent structures be built. Temporary structures are permitted through DPOR regional offices with additional permit stipulations and fees.

16. Indemnification. The permittee shall indemnify, hold harmless, and defend the State, its officers, agents, and employees from liability of any nature or kind, including costs and expenses for or on account of all legal actions or claims of any character whatsoever resulting from injuries or damages sustained by any person or persons or property as a result of any error, omission, or negligent act of the permittee relating to this permit.

17. Protection of Lands, Facilities, and Resources. The permittee shall exercise diligence in protecting damage to lands, facilities, and resources in the areas that are used in connection with this permit. Cultural resources, such as human remains, historic artifacts, archaeological materials, or paleontological resources shall be avoided and may not be disturbed, altered, destroyed, or collected. If human remains, historic resources, archaeological resources, or paleontological resources are encountered during permitted activities, all activities that may disturb or damage the site shall cease in the immediate area and you shall immediately (within one business day of discovery) notify the Park and the Office of History and Archaeology (907-269-8700).

18. Repair of Damage. The permittee shall be liable for the repair of any damage to lands, facilities or resources resulting from the activities of the permittee, his/her agents, employees, or clients.

19. Vessel Operations / Identification. All vessels (including non-powered boats with auxiliary power units) used on any water of the state, including rivers, lakes and salt water within 3 miles of land, and all sport fishing and hunting guide boats (powered and non-powered) must be registered with the Division of Motor Vehicles (<http://doa.alaska.gov/dmv/reg/boat.htm>). Permittee shall list and identify all vessels to be used in conjunction with this permit on the application. The permittee is responsible for ensuring that all vessels are equipped, maintained, and operated in accordance with all applicable state and federal laws and regulations. This includes adherence to the U.S. Coast Guard manufacturer's capacity information plate. DPOR issued vessel decals shall be placed just aft of the midpoint and above the water line anytime the vessel is operating in DPOR managed waters.

20. Motor Vehicle Operations / Identification. All motor vehicles operated or parked on State Park lands and used for commercial activities shall be identified by a Commercial Use Vehicle decal or placard supplied with the final permit. The decal shall be affixed to the bottom left-hand corner of the vehicle windshield. The placard shall be printed and placed on the driver's side dashboard. Decals or placards shall not be altered or affixed to unauthorized vehicles, and all information must be visible. State Park staff may confiscate decals or placards that are altered or affixed to unauthorized vehicles. Commercial Use Vehicle decals and placards are only valid for day use parking at state park facilities while conducting commercial activities in a state park.

21. Aircraft Operations/Identification. All aircraft operated or parked on State Park lands and/or waters for commercial activities shall be identified on the application. Aircraft shall have 12" N-numbers of contrasting color affixed to the aircraft.

22. Report Abnormal Sightings. The permittee shall notify DPOR of any problems, abnormal conditions, or

unusual conditions observed while operating on/over park lands and waters.

23. Natural Hazards. The permittee recognizes and understands that natural hazards are likely to exist within permit area. The permittee agrees to take all reasonable precautions to make himself/herself aware of these hazards and to advise all clients of the hazards. The permittee is responsible for ensuring the safety of the clients under his/her supervision.

24. Camps, Caches & Equipment Storage. Unless otherwise authorized, the permittee agrees not to establish temporary or permanent camps or caches within the permit area. All property of the permittee is to be removed from park lands and waters upon completion of permitted activities. Vehicles, boats, aircraft, or any equipment or supplies may not be stored on State Park lands or waters without authorization. Vehicles may be legally parked during operations in the park.

25. Refuse and Waste.

(a) No person may bring waste or refuse from household, commercial, industrial, or construction activities into a state park for disposal.

(b) No person may place waste or refuse in state park water, or on land or water capable of contaminating state park water.

(c) Unless it is deposited in a park waste receptacle, waste or refuse created in the course of activities in a state park must be removed from the state park by those responsible for its creation.

(d) The provisions of this section do not apply to animal waste normally discarded by hunters, trappers, or fishermen in the course of legal hunting, trapping, or fishing, except that waste must not be left within 100 feet of a trail, road, or developed facility.

26. Wildlife Interactions. No wildlife species will be baited, harassed, or approached closely enough to disrupt the animal's natural activity or to endanger human life except for a legal hunt for game.

27. Accident and Injury Notification. The permittee shall notify the nearest State Park area office immediately after completing any trip in which accidents have occurred involving personal injury, boat collision, overturning or swamping, or damage to the guide vessels, aircraft or other vessel; or any threatening incidents involving wildlife or of incidents involving the loss of equipment such as canoes, rafts, tents or other gear which could create the impression that someone may be lost or in danger. Injuries requiring immediate medical attention or evacuation shall be reported to State Parks or Alaska State Troopers immediately. The permittee is requested to immediately report to State Parks or Alaska State Troopers any knowledge of anyone injured, lost/overdue, or fatalities within the park.

28. Client Information. The permittee agrees to provide clients with information regarding rules, regulations and other information pertaining to the area and with basic safety information relative to the client's visit.

29. Cooperation and Professional Behavior. The permittee agrees to cooperate with agency representatives for the purpose of permit compliance, and operations evaluation, or to gather current information on the area for park management purposes. The permittee shall not verbally or physically harass, assault, or abuse clients, employees, outfitters, other guides and their clients, members of the public, or any state or federal agency representative. This includes the use of profanity, aggressive, threatening, and/or disruptive behavior.

30. Firearms and other Weapons. No person may use or discharge a weapon in a state park, except as otherwise provided in 11AAC 12.190.

31. Renewal. The issuance of this permit does not confer any rights of renewal or references for renewal despite investments made by the permittee or for other reasons.

32. Fire Prevention, Protection and Liability. The permittee shall take all reasonable precautions to prevent and suppress forest, brush, and grass fires, and shall assume full liability for any damage to park land resulting from negligent use of fire. The State of Alaska is not liable for damage to the permittee's personal property and is not responsible for forest fire protection of the permittee's activity.

33. Compliance with Government Requirements. The permittee shall, at its expense, comply with all

federal, state, and local laws, regulations, and ordinances directly or indirectly related to this permit. The permittee shall ensure compliance by its employees, agents, clients, licensees, or invitees.

34. Restitution for Unsworn Falsification. The permittee agrees to provide restitution of per-client fees owed to DPOR for any inaccurate reporting of commercial use. Restitution will be considered the monetary difference between fees paid and fees owed to the state under this permit. Subsequent permits will not be issued until restitution is made.

35. False Statement. Making a false statement or presenting false or purposefully altered documents is prohibited and may be grounds for immediate revocation of commercial use permit under 11 AAC 18.030(c). This provision applies to all persons working under the authority of this permit, including guides, assistant guides, employees, etc.

36. Suspension and Revocation of this permit by the State. Failure to abide by any part of this use permit, to comply with any of the general or special stipulations or the willful violation of any state regulation may result in immediate suspension or revocation of this permit and may result in denial of future permits.

37. Revocable at will. This permit may be revoked at any time at the discretion of the director or his/her designee without compensation to the permittee or liability to the State.

DIRECTOR'S ORDER REGARDING FEES - Use Fees (Per-client, Vehicle, Rental)

For more information, please see the complete document on our website.

Commercial permittees providing multiple services to a client on the same day will only be charged one fee per day per client. In this situation, the fee for the service with the highest fee would apply.

Per-client fees to be paid by 12/31 of the permit year:

1. \$300 per client per hunt for Guide-Outfitters providing hunting services and/or Transporters providing accommodations as defined in Alaska Statutes (AS) 08.54 and related regulations.
 - If you are a transporter providing accommodations on a boat (per AS 08.54.650) on saltwater managed by Alaska State Parks this fee applies.
 - If you are a transporter providing accommodations on a boat outside of State Park managed waters, you will pay the \$6 per client fee specified under #6.
2. \$12 per client per day for all activities in Wood-Tikchik State Park (WTSP) except Guide-Outfitters pay the amount specified above in #1.
3. \$10 per client per day for snowcat activities.
4. \$10 per client for aircraft and helicopter trips, except that Guide-Outfitters or Transporters providing accommodations pay the amount specified above in #1.
5. \$6 per client per day for guided tours of a state historical park (SHP) or state historical site.
6. \$6 per client for water taxis that make use of state park facilities or uplands.
 - Transporters not providing accommodations on a boat within State Park managed waters (salt water) pay this fee.
7. \$6 per client per day for watercraft tours that make use of state park facilities or uplands.
8. \$2 per client per day for non-fishing guided trips (i.e. scenic or taxi) in the KRSMA which make use of state park facilities or uplands.

Motorcoach and taxi permittees shall supply passenger capacities for all vehicles on the permit application, which will be used to determine the per-vehicle rate for motorcoach or van tours, shuttle bus, and taxi service. All fees are per vehicle for each stop in a state park facility.

- If you conduct any scenic tours, especially in a SHP, pay the fees in #5.
- \$80 per stop for large motor coaches with capacity of greater than 40 passengers for 2020.
- \$50 per stop for medium motor coaches with capacity of 21-40 passengers for 2020.
- \$2 per client per day for small motor coaches, vans, and taxis with a capacity of 20 or fewer passengers.

Use fees, unless specified above:

- \$4 per client per day for guiding, transportation, or other services not specified above.
- \$4 per rental per day for all rentals not specified above.
